

Rice County Health Department in Lyons, KS is seeking an LPN to fill a full-time public health nurse position. Because we are a small health department, the LPN will be trained and work in multiple areas including WIC, immunizations, foot care, and more. Public health experience is not necessary, but is a plus. Applicants must have a current LPN in the State of Kansas and be able to pass a drug screen and employment physical. Regular work hours are 8 a.m.-5 p.m. Monday-Friday, however, during certain time of the year (e.g. flu season) variations in hours will occur. Some travel and overnight stays are required. Please contact Marci Detmer, Administrator, Rice County Health Department at 620-257-2171. Wages and benefits discussed at interview.
