

Rice County Health Department is hiring a part-time nurse for 2-4 days per week, depending upon clinic schedule. Focus will be on infant-through-adult immunizations and senior foot care. Additional training will include limited family planning, emergency preparedness, contagious disease investigation, and WIC supplemental nutrition program. The health department has usual hours of 8 a.m.-5 p.m. daily. Minimal travel, sometimes with overnights, and rare Saturday hours are expected. Current KS nursing license and driver's license required. Please call Rice County Health Department, 620-257-2171 to pick up an application (or get it online at ricecounty.us/).
